QUALITY POLICY

It is our policy to comply with all applicable requirements, including those of our customers, legislation and those of ISO 9001.

We have developed an integrated management system to control our processes and to direct our employees in order to achieve this policy. We establish objectives and targets which will be monitored and measured in order to continually improve our quality compliance. We are also committed to providing an unparalleled standard of service to our clients.

Employees and others acting on behalf of Atlas Offshore Operations will be made aware of all applicable laws and regulations as well as Atlas Offshore Operations related policies, standards and guidelines. Atlas Offshore Operations management also is responsible for ensuring that employees and others acting on Atlas Offshore Operations behalf are properly trained in these laws and policies. Professionals in all areas of relating to products, operations and workplace safety are available to assist in these matters.

The aims of Atlas Offshore Operations Ltd can be summarized as ensuring:

- *Comply and continually satisfying our clients based on their needs and requirements*
- *Establish Quality Objectives at relevant levels and functions within the organization*
- *Monitor, review and analyze the Quality Objectives at planned intervals*
- *Take appropriate action based on constructive internal and external feedback*
- *Incorporate this policy into the staffs daily job duties and business decisions.*
- *Operate and maintain equipment, facilities and processes in a safe manner*
- *Participate in training and education programs to improve compliance, both on and off the job.*
- *Communicate with management and co-workers about working conditions perceived to be unsafe or hazardous and, as appropriate, stop any operation that we feel is unsafe.*

This policy will be made available to all interested parties and Atlas Offshore Operations requires all directors, senior managers and employees to fulfil their legal responsibilities and to co-operate and consult with staff and management to ensure the company's continued success and growth. All employees and contractors working for the company will be made aware of this policy and be required to comply with it. It will be reviewed and updated (where required) as part of the management review process. Where changes to the policy are made, it will be re-issued and implemented.
